- Hand made baths from a sturdy GRP (glass reinforced plastic) construction.
- Optional overflow positioning.
- Low water consumption.
- Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
- Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
- Optional In-line water heater for plain and whirlpool baths to help maintain temperature.

ENJOY THE FAR EAST IN THE WEST...

These Japanese style, deep soaking baths have become increasingly popular in the UK. Designed to fit into even the smallest of spaces, deep soaking baths still offer an indulgent bathing solution for those with limited space. In fact, they provide a unique, relaxing deep soak that you simply just don’t get with a conventional bath.

Deep soaking baths can be fitted into large bathrooms too and are available in a variety of colours - full list available on request.
These British hand made **DEEP SOAKING BATHS** have been designed around the ‘Japanese style’ deep soaking tub. Manufactured in the UK from GRP (glass reinforced plastic), these deep soaking baths have a conveniently moulded seat to allow the bather to comfortably relax in an upright seated position and enjoy an indulgent deep soak.

All of our deep soaking baths can be fitted with our latest, Flush-jet™ Whirlpool and Spa systems plus hygienic 4th Generation Pipework that has 100% system drainage.

**TECHNICAL SPECIFICATIONS & BATH SIZE CHART:**

Please Note: All baths from Pegasus Whirlpool Baths come fitted with legs and adjustable feet. Up to 140mm may need to be added to the depth of the bath to accommodate the waste, trap and other bath fittings. If you are unsure, please ask!

These baths are hand made and dimensions can vary slightly.

These compact single person deep soaking baths provide versatility and uniqueness for a wide array of spaces. Available in a range of sizes and varying depths, starting with the **Barra** with a depth of 580mm going up to the **Oronsay** with a depth of 810mm. You can truly immerse your body in water when bathing in a Pegasus deep soaking bath.

The **IONA** walk-in bath with a 10mm toughened glass door and clean lines introduces dignity and design in a modern walk-in bath. Combining ease of access through a unique glass door.

An integral seat, wide opening doorway and a robust single lever lock, all add to the luxurious deep soak bathing experience.

The **IONA** Walk-in bath is also available with chromotherapy mood lighting and bespoke Flush-Jet™ whirlpool and spa hydrotherapy options.
Sleek minimalist lines, contemporary Italian design, inward opening side door made in glass, a removable seat and headrest, options for shower screen and brassware, and the ultimate luxuries of whirlpool and air spa, must make the IRIS the perfect choice when you want to make provision for everybody in a household where the needs of each individual differ greatly.

A bath that all the family can enjoy whilst keeping the bathroom looking conventionally trendy make the IRIS quite unique.

Manufactured in Italy
WESTRAY FEATURES:

- Easy to use inward opening door with low step. Both Left and Right Hand entry versions available.
- Slip resistant base. Dual waste for quicker drainage.
- Comfortable integrated seat with contoured back.
- Seat height of 370mm with an overall internal depth of 790mm. Simple lever door locking mechanism.
- Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
- Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
- Optional In-line water heater for plain and whirlpool baths to help maintain temperature.

The WESTRAY walk in bath is a simple solution for easy access independent bathing.

The integral seat is contoured for maximum comfort, and the low level wide opening door is simple to operate by a robust, single lever.

GRP (Glass Reinforced Plastic) is a material made from a polyester resin, which is reinforced by chopped strand mat glass fibres to form a GRP laminate. It is a very popular composite material because not only is it very strong, but also surprisingly light.
The **WESTRAY MINI** is a compact deep soaking walk in bath that’s easy to use and install.

Like the larger Westray, it boasts an integral contoured seat, the same generous door opening, and simple single lever door locking.

In addition, it has just a single waste outlet to make installation even easier and quicker.
TIREE FEATURES:
- Lower water capacity.
- Effortless gadget free door locking mechanism.
- Enhanced doorway access. Slip resistant base.
- Dual waste for faster drainage and safety, pre-drilled overflows.
- Compact design with minimal footprint.
- Integral seat for comfort and support.
- Optional seat extension for extra height.
- Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
- Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
- Optional In-line water heater for plain and whirlpool baths to help maintain temperature.

 Possibly the most compact walk in tub bath available, the TIREE shares the same award winning, inward opening, bi-fold door arrangement as the highly successful Eday bath.

It has clear uncluttered access, with a watertight door which is effortless to use - Simply walk in, sit down and enjoy a deep soaking bath or shower.

Technical Specifications:
Seat Height: 320mm
Step Threshold (outer): 170mm with Hepvo in-line-traps
Step Threshold (inner): 110mm with Hepvo in-line-traps
The result of extensive development, the **EDAY** bath provides a safe, reassuring bathing environment.

The unique door hinging arrangement gives clear, uncluttered access, and a watertight door which is effortless to use.

Just walk in, sit down and relax on an integral seat to enjoy a soothing deep soak bath or shower.

**EDAY FEATURES:**

- Easy to use inward opening door.
- Effortless, gadget free door locking mechanism.
- Enhanced doorway access for more room.
- Low threshold for easier access.
- Slip resistant base.
- Dual waste for faster drainage and safety, pre-drilled overflows.
- Contoured back and integral seat for comfort and support.
- Optional seat extension for extra height.
- Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
- Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
- Optional In-line water heater for plain and whirlpool baths to help maintain temperature.
New to be launched at Grand Designs 2019

**TRANQUILITY FEATURES:**

- Advanced door and water seal system. Left and right hand door options with easy door lever lock requiring minimal force to operate.

- Unique 2 inch drain pop-up waste for faster drainage with Unique Horizontal/shallow drain. 2 internal grab rails, slip resistant base.

- Extended 50mm back rest on 660mm model only.

- Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white & 10 individually selectable colours.

- Optional Air spa systems and optional in-line water heater to help maintain temperature.

The Tranquility is internally spacious with an exceptional 800mm wide entrance. With the seat well exposed simply sit down from outside the bath and slide in.

A ramped seat 545mm high from the bathroom floor allows for unrestricted transfer from a wheelchair.

The door is shut effortlessly by a lever handle and a concealed catch bolt, ideal for arthritic hands.

Built with extraordinary strength and rigidity, the bath is cradled within a robust stainless steel framework.

Uniquely, the Door and Jamb is manufactured in Aluminium to ensure perfect water sealing.

Free standing and partly assembled for faster installation.

**Available in 2 sizes:** 660 x1300 and 750 x1300

British Made
The popular SANDAY walk-in bath combines high quality design with attractive styling for a safe and comfortable bathing environment.

The proven outward opening door technology features a generously wide and uncluttered doorway providing unrestricted easy access. Just walk in and sit down on a raised integral seat for a deep soak bath or shower.

SANDAY FEATURES:

• Wide walk through door with low step. Left or right hanging door option available.
• Contoured moulded backrest, armrests and integral upright seat for comfort and support.
• Slip resistant base.
• Dual wastes for fast drainage and safety, pre-drilled overflows.
• Optional seat extension for increase height.
• Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
• Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
• Optional In-line water heater for plain and whirlpool baths to help maintain temperature.

Ideal for Wheel Chair access from a Wheel Chair.
SAVANA FEATURES:

- Inward opening 10mm toughened glass door.
- Anti slip base to shower area.
- Both Left and Right Hand entry versions available.
- Dual wastes for quicker drainage and safety.
- Shower screen 1500 x 800 x 6mm toughened glass.
- Gadget free door locking.
- Contemporary design.
- Internal depth 385mm, 195mm to upper lip, 145mm to bath base.
- Water Capacity 215 Litres.
- Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.

A modern design with clean angular lines, robustly constructed with either Left or Right Hand inward opening toughened glass door options.

This stunning bath is a versatile solution for easy access bathing and/or showering. Although very modern in appearance, it incorporates a simple gadget free door locking mechanism, utilising a single robust lever.

Also available is a toughened glass “L – shaped” shower screen with bright silver pillar & handle.
A contemporary alternative to the popular “P” shaped shower bath. The Carnelian offers the benefits of Easy Access showering and bathing. Modern in appearance, it incorporates a toughened glass door and a simple gadget free door locking mechanism, utilising a single robust polished stainless steel handle.

Also available is a toughened glass shower screen with bright silver pillar and handle, along with hydrotherapy whirlpool and spa options. (Right hand version in picture.)

CARNELIAN FEATURES:
• Modern design with 10mm toughened glass door.
• Simple, single lever door locking mechanism providing effortless door operation.
• Both Left and Right hand entry versions available.
• Same dimensions as most conventional “P-shaped” shower baths for easy installation in place of an existing bath.
• Dual waste and overflow for quicker drainage & safety.
• Toughened 6mm glass shower screen with bright silver pillar and rail.
• Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
• Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
• Optional In-line water heater for plain and whirlpool baths to help maintain temperature.

Water Capacity: 255 Litres
ABALONE FEATURES:

- Contemporary design with single lever, Inward opening, 10mm toughened glass door.
- Slip resistant base. Both Left and Right Hand entry versions available.
- Dual wastes for quicker drainage and safety.
- Water Capacity 188 Litres.
- Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
- Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
- Optional In-line water heater for plain and whirlpool baths to help maintain temperature.

The Abalone 1700 and 1500 baths are designed with the modern bathroom in mind.

The 1700mm version shares the same footprint of most current standard sized baths, so is an ideal replacement, giving Easy Access, with a low step threshold.

The 1500mm alternative has the same modern appeal, but is ideal where space is at a premium.

Both versions have a toughened glass inward opening door with a simple to operate single lever lock finished in polished steel, to compliment the overall contemporary look.
The standard CALYPSO bath is an elegantly designed “P –shaped” bath, robustly constructed with either left or right handed inward opening door.

This contemporary bath is a versatile solution for easy access bathing and/or showering. It has a simple latch lock for effortless door operation. Just slam to shut and lift the knob to open.

Also available is a toughened glass shower screen with bright silver pillar and handle, along with hydrotherapy spa options.

CALYPSO FEATURES:

• Effortless door operation. Both Left Hand and Right Hand entry versions available.
• Same dimensions as most conventional “P-shaped” shower baths for neat and easy installation in place of an shower or existing bath.
• Dual waste and overflow for faster draining.
• Available in all colours.
• Toughened 6mm glass shower screen with bright silver pillar and rail.
• Contemporary design.
• Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
• Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
• Optional In-line water heater for plain and whirlpool baths to help maintain temperature.

Water Capacity: 255 Litres
Double ended baths are popular for many reasons. The Cortega is a modern design with clean angular lines, robustly constructed with an inward opening, toughened, 10mm glass door.

This stunning bath is a versatile solution for easy access bathing and showering. Although very modern in appearance, it incorporates a simple door locking mechanism, utilising a single robust lever.

At 1700x750 it should be an easy replacement for most standard baths.

**CORTEGA FEATURES:**
- Double ended bath with toughened 10mm glass door and centre tapholes (undrilled).
- Water Capacity 200 Litres.
- Dimensions 1698x750x550mm (Internal 385mm).
- Slip Resistant entry, Single waste.
- Also available with a solid door (Please ask for the Cordova).
- Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
- Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
- Optional In-line water heater for plain and whirlpool baths to help maintain temperature.
AMALFI POWER TRAVERSE LIFT BATHS

The Amalfi range of power seat lift baths offer a safe, reassuring independent or assisted bathing environment.

The Amalfi range of baths benefit from a power traversing seat that allows gentle lowering and lifting in and out of the bath.

The simple power traversing operation with convenient transfer height, enhances ease of access to a comforting warm soak.

AMALFI FEATURES:

- Contoured seat with lift up armrests for comfort safety.
- Left and Right hand versions available.
- Powered traversing, lifting and lowering.
- Seat extends out of the bath and lowers to a safe, convenient transfer height.
- Suitable for independent or assisted bathing.
- Safe working load of 22 stone (140kg).
- Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
- Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
- Optional in-line water heater for plain and whirlpool baths to help maintain temperature.
The standard ARRAN bath is designed to replace an existing bath. It is 1700mm x 700mm in dimension, so has the same footprint of most conventional baths.

It has an easy to use slam-shut inward opening door, and simple latch look for easy operation.

**ARRAN FEATURES:**
- Effortless door operation with both Left Hand and Right Hand entry versions available.
- Same dimensions as most conventional baths for neat and easy installation in place of an existing bath.
- Dual waste for faster drainage and safety.
- Slip resistant area to base.
- Optional Chromotherapy mood lighting that includes 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM, plus white and 10 individually selectable colours.
- Optional bespoke Pegasus Flush-Jet™ whirlpool massage jets and spa systems.
- Optional In-line water heater for plain and whirlpool baths to help maintain temperature.
The ARRAN WALK IN LIFT bath provides a safe, reassuring independent bathing environment.

The simple “slam shuts”, inward opening door gives clear uncluttered access, while the integral powered lift seat allows gentle lowering and lifting in and out of the bath.

The lift seat includes a battery pack to ensure the bather can exit the bath in the event of a power cut.

GRP (Glass Reinforced Plastic) is a material made from a polyester resin, which is reinforced by chopped strand mat glass fibres to form a GRP laminate. It is a very popular composite material because not only is it very strong, but also surprisingly light.
Pegasus Whirlpool Baths - Quality whirlpool baths custom built to your very own specification.

Pegasus Sensations Whirlpool Baths provide all the therapy you could possibly desire - Hydrotherapy, Chromotherapy and Aromatherapy. The Pegasus Sensations Whirlpool system has been developed with the benefit of our Managing Director’s 30+ years experience in manufacturing and servicing Whirlpool Baths, together with feedback we have received from our customers. The result is a luxurious Whirlpool Bath which combines Performance, Reliability, Hygiene, Functionality & Longevity

Chromotherapy Lighting
Our new and improved Chromotherapy Whirlpool Baths focus more on the therapeutic qualities of colour. Our vibrant chromotherapy lighting provides a superb all round lighting effect in the bath and include 5 preset programs promoting ENERGY, TONIC, RELAX, SUN and DREAM along with white and 10 individually selectable colours. Chromotherapy lighting can be used with or without the whirlpool massage.

Aromatherapy Bath Oils
Low foaming, fragrant whirlpool bath aromatherapy oils. Each individual oil has been blended with 3% essential oils. We have a complete & varied range for you to choose from for your whirlpool bath. Remember, you will get one in the free ‘starter pack’ we send you when you order your Pegasus Whirlpool Bath.

Caring for your Pegasus Whirlpool bath
Taking care of your Pegasus Whirlpool Bath is important and does require a little attention for you to maintain them, so they sustain the level of performance they had the day they left our craftsman’s accomplished hands. Two products that we strongly recommend you regularly use to help keep your Whirlpool bath in perfect working order for years to come, are our sanitiser tablets and whirlpool bath cleansing fluid.

Lifetime Warranty: Pegasus Whirlpool Baths are supplied with a two year parts and labour warranty which is then extendable on a yearly basis for as long as you wish. This warranty is also transferrable if you sell your house. (The warranty must be continuously maintained)
